ANTI -RAGGING AWARENESS PROGRAMME

Ragging is a criminal offence and is governed by the Anti-Ragging Code of the University Grants Commission (UGC). The University is firm on ensuring that the UGC framed regulations on prohibition, prevention, and elimination of ragging are strictly followed on campus. It is punishable. BHKMahavidyalaya ensures a completely ragging free environment in the college campus and premises. Our college believes in an easeful space, where our new students unhesitatingly participate in various activities including teaching-learning with the existing students. College assures that any activity – be it verbal or written, physical or psychological – by any student/a group of students causing damage to the other student(s) is strictly prohibited. College Anti-Ragging Cell monitors such cases minutely and informs the College for appropriate action. The Cell, moreover, looks after that there will be no such incident of ragging in the campus.
